

TASTING NOTE

Geelee - Gold Label

2006 Shiraz

Regional Source

A blend from two vineyards in the heartland of Australian wine-grape-growing.

Vintage Conditions

The grapes were harvested relatively early after a typical warm growing season which suits Shiraz. Fruit ripened well with good flavour development and showed good varietal character.

Vinification

The wine was fermented quite slowly at moderate temperatures in tanks with simultaneous exposure to oak. These techniques helped retain the pronounced fruit flavours and complexity.
